Simple Kitchen Updates such as, new brushed nickel cabinet hardware, a new faucet and pendant lights can sometime be just enough to freshen up a "stale" kitchen.

Nationally, the cost recouped by adding a wooden deck is 85%.

Who's Buying Houses?

According to the U.S. Census Bureau, single women continue to be the biggest growth category of buyer. In 2006, single women made up 22% of all buyers. Single men made up 9% and married couples buying homes made up 61%.
